Re: UPDATE - Alberta Government Suspension of Sport

I hope that you and your families are staying safe. We wanted to give a quick update as we get closer to the end of January.

On January 21st, the Alberta Government announced that the current province wide restrictions will be extended until further notice.

The Alberta Soccer Association and other Provincial Sport Organizations are lobbying the Provincial Government for at least a timeline for team sports reopening. As soon as more information is provided by the Government, we will share immediately.

We hope to be able to provide a compressed schedule should the restrictions be lifted. It also does not look like we will be able to provide a full indoor season and if that is the case then the EIYSA Board of Governors will work on potential refunds to our clubs.

When and if we are able to continue the indoor season, the revised schedules will be posted on the EIYSA website. The EIYSA Board of Governors have set April 10-11th weekend as the final weekend for potential indoor league games.

We thank you for your patience and understanding as we navigate this challenging season.

Stay safe and take care!
