Re: Alberta Government Suspension of Sport

As per the Government of Alberta announcement yesterday, the EIYSA program will be paused for a period of two weeks, beginning on Friday, November 13<sup>th</sup> with the program resuming on Saturday, November 28<sup>th</sup>.

Obviously, we will follow any further restrictions that the Government of Alberta may impose. To date, EIYSA had two reported cases but in both situations the positive COVID-19 cases reported no further transmission within that players/coaches team, to a member of the opposing team or to a game official. We are very pleased to the attention and adherence to the safety measures that all players and Team Officials have demonstrated. We look forward to returning to play on November 28<sup>th</sup>.

Please note that this suspension of play includes games, practice/training, or any team events. We will be doing our best to reschedule all games that have been postponed due to this suspension of play. Please note that by rescheduling games into the second half of the season may force us to extend the season past the March 13/14<sup>th</sup> weekend.

Stay safe and take care!
